

Aerial Digimap Terms of Use – 1 September 2016 to 31 July 2017

Your use of the Getmapping Aerial Photography Data Collection through the Aerial Digimap service: permissions and restrictions

By agreeing to these Terms of Use, you acknowledge that you are an Authorised User of the Getmapping Aerial Photography Data Collection under the terms and conditions of your Institution's sub-licence agreement with the University of Edinburgh.

As an Authorised User you may access the Getmapping Aerial Photography Data Collection through the Aerial Digimap service.

An Authorised User is an individual who is authorised by a subscribing Institution to access that Institution's information services whether on- site or off-site via Secure Authentication and who is affiliated to that Institution as a current student, member of staff or contractor of the Sub-Licensee. The full definition of an Authorised User is given in your Institution's sub-licence.

The Getmapping Aerial Photography Data Collection comprises aerial photography covering the whole of Great Britain (England, Wales and Scotland), supplied at 25cm resolution in British National Grid projection.

You **MAY** do the following with the Getmapping Aerial Photography Data Collection (the "Data"), in each case, for **educational, non-commercial purposes only**:

1. access the service in order to search, retrieve, display and view parts of the Data;
2. copy, use, access, view, manipulate, adapt, print, annotate and store the Data;
3. share the Data with other Authorised Users, for those Authorised Users to use the Data;
4. electronically save parts of the Data;
5. print out copies of parts of the Data;
6. incorporate parts of the Data in printed and electronic course materials, study packs, course notes and virtual learning environments (VLEs) hosted on your institution's secure network. If you do this you must include the relevant copyright notice (see below) each time;
7. incorporate parts of the Data in academic assignments and portfolios, theses and dissertations. If you do this you must include the relevant copyright notice (see below) every time;
8. deposit copies of academic works containing the Data in your institution's library or local repositories, in accordance with your institution's policy and practice;
9. publish parts of the Data or images derived from the Data in academic journal publications, monographs or on the Web, provided that;
 - a. you are only permitted to publish such of the Data as is absolutely necessary to fulfill the purpose of the data image used;
 - b. you shall not be permitted to publish or otherwise make a substantial part of

the whole set of Data available to third parties, or otherwise make any use of the Data which, in the reasonable opinion of the University of Edinburgh, is unfair or excessive;

10. display parts of the Data in public as part of a presentation at a seminar, conference, or workshop, or other such similar activity;
11. print and use copies of the material as part of a Post Graduate Certificate in Education course in schools.

Copyright notices

Any use of the Data must carry the following copyright notice:

"© Getmapping Plc"

As an Authorised User you **MUST NOT** do anything with the Getmapping Aerial Photography Data Collection (the **Data**) which is not specifically permitted above. In particular, you **MUST NOT**:

1. sell, redistribute or supply any part of the Data, or any copies of parts of the Data, or use any part of it for any commercial use or commercial gain;
2. remove, obscure or modify any copyright notices;
3. make any part of the Data accessible for use by others who are not Authorised Users;
4. use the Data for anything other than educational, non-commercial purposes;
5. distribute the Data to others as part of any kind of service, within your institution or to the wider world, whether for educational, non-commercial purposes or not.

If in doubt about any of the above, please consult your institution's Digimap Site Representative.

We may terminate your access to, and use of, the Data: (a) immediately by notice to you, if you commit any breach of the terms specified above which you fail to remedy (if remediable) within 14 days after the service of notice requiring you to do so; or (b) if your institution's sub-licence to the Getmapping Aerial Photography Data Collection expires or is terminated for any reason.

Upon such termination, you may keep any parts of the Data incorporated in any publications, theses, dissertations or other academic works you hold as at the date of termination and continue to use them in line with the conditions above. However, you must immediately cease all other activities authorised above, and you must delete, and refrain from using, any Data you hold which is not incorporated into such materials.
